Dear Parent, **Greetings from DPS-Miyapur!**

It is said that the best thing about making memories is 'making them'. The education provided in school is not just restricted to the four walls of a classroom, but DPS-Miyapur has always aimed to and has given a holistic educational experience comprising of intriguing classroom activities, memorable field trips, innovative competitions, creative assemblies, highly energetic sports events and games and has also provided opportunities for students to participate in different interschool competitions to enrich and assess their educational experience. In this respect, July was indeed a joyful month as the students of DPS-Miyapur got the opportunity to go on exciting and educational field trips, participated in highly competitive interschool competitions to prove their mettle and showcased their creativity and talent through beautiful assemblies and various inter-house competitions.

Colours colours we see them everywhere and our world is filled with colours. Colour week was celebrated from 02.07.19 to 05.07.19. All the children of LKG and their teachers were dressed colourfully to celebrate the colour week. Children were excited to participate in various activities. Classrooms were decorated with balloons based on the concept of the colour day. Teachers and students spoke about colours during circle time and sang rhymes on colours. They have done different activities on chart with a theme (Garden) based on the colour day. They made takeaways based on colours. Each and every day they were involved in activities like dance, rhymes, nature walk etc. They brought different food items based on the colour day celebration like sandwich, lemonade, orange, grapes, apple etc. It was an excellent learning experience for the children which will definitely enhance their visual discrimination.

Day wise activities:

Red colour day

On 02nd, Red colour day was celebrated. Students have done a Thumb printing activity on a flower in a garden scenery. Later they were involved in take - away activity of paper crumpling on an apple cut out. Children were joyful while doing all the activities.

Blue colour day

Field trip Sudha Cars Museum. (Grade-IV 10th July, 2019)

On 10th July, 2019, the students of Grade IV were taken for a field trip to Sudha Cars Museum. This field trip provided an opportunity to the students to gain practical knowledge through exploration and observation. The students had the privilege of witnessing over 165 cars in different sizes and shapes. Children were amazed at the sight of cars in typical out of the box designs like a burger, football, billiards table, laptop, shoe car, bed car etc. They were overwhelmed with joy at the sight

of every display they came across. This car museum features a wide range of cars & bikes in different shapes, sizes and colour. Each of them was very excited to share their experiences and recall the shapes of the car they had seen during the trip. They were motivated to do something new in a different way. It was an amazing experience. They got an insight on creativity and innovation.

EARTH DAY Special Assembly

(Grade III on 12th July, 2019)

The much awaited Earth Day was held on Friday, 12th July 2019 with great zeal, excitement and frolicsome atmosphere by the students of Grade III.

The programme began with the Grade III choir singing a divine and soulful shloka, rendering salutations to our Mother Earth. Head of the school Ms. Gowri Sarkar, Head Mistress Ms. Raina Bhatt, school co-ordinators and the most valued invited guests- parents of the kids who were participating graced the occasion. Head Mistress, Ms. Raina Bhatt, welcomed the esteemed gathering and emphasised on the importance of celebrating festivals as it teaches the children the diverse culture of one's country, sensitise them and move them away from being self – centered to being more altruistic and selfless.

Seeing the children dressed like radiant flowers, plants and trees was a feast to the eyes. The programme had meaningful songs and acts which forced everyone to think and introspect. Then the students presented a thought provoking act- Nukkad Naatak. There was a heart rending song where the children enacted as trees and danced to the tunes of – Na kaato mujhe...dukhta hai and musical 'The people'.

The show stopper moment was the performance where all the children, held hands together and sang the Anthem: Save the Earth. Each one could really feel their fragrance of happiness wafting in the air. It sent across the message that each one of us has an equal right of peaceful existence on our Mother Earth. The collective intake of the audience and the sudden outburst of cheers were amongst the best feeling one could ever hope to experience on this day.

FIELD TRIP State Archaeological Museum

(Grade V on 17th July, 2019)

On 17th, July 2019, the students of Grade V got an opportunity to visit the State Archaeological Museum. The Museum was an excellent place to explore and learn. The main attraction of the museum was the Egyptian Mummy. The students saw the chariots and cannons kept in the open. Exquisite artefacts and antiques were professionally displayed in a number of well laid out spacious galleries spread over four buildings. Jewellery collections including the gold and

silver jewellery inlaid with semi-precious stones were very attractive. The Ajanta Paintings gallery, featuring recreations of the famous Ajanta cave paintings, were quite impressive. The health museum gallery which includes two sections-nutrition and health issues and motherhood and childbirth gained special attention of students. It was an enjoyable and informative day for the students. It was truly an enriching learning experience for them.

RESONANCE

(on 18th July, 2019)

An Inter School English Literary Fest 'RESONANCE' was organised at Kennedy High The Global School, Bachupally on 18th July 2019 to provide an opportunity and a platform to young minds to unleash their latent talent in the field of creativity. It was a well conducted event which saw an overwhelming participation from many prestigious schools of the city. Our students from Grade IV to Grade IX participated in a compendium of innovative and creative events like Poem Recitation, TV Tangle, Mad Ads, Extempore, Radio Jockey to name a few. The events were judged by an eminent panel of judges. Our students gave their best shot and brought glory to the school by winning quite a few competitions. In the Junior category our students bagged the first position in the English Poem Recitation, third in the Spell Bee. In the Senior category we bagged the second place in TV Tangle, third position in Radio Jockey and Spell Bee. It was a tough competition but exultant effort and team spirit helped all the students to gain enriching learning experiences. The literary pilgrimage was a great learning experience for one and all. Mrs. Gowri Sarkar, Head DPS Miyapur, applauded the exemplary performance of the students and emphasised on the fact that participation is a big achievement in itself.

SWARANJALI

(on 20th July, 2019)

The Inter DPS Music competition “Swaranjali” was held on 20th July, 2019 at DPS Secunderabad. Students from DPS Miyapur competed with 11 other DPS Schools from southern region in 2 categories.

1. Classical solo (Hindustani) (Theme: RithuRaag; Celebrating seasons)
2. Folk Group song (Theme: Valour, Celebrating Indian Traditions)

In Classical solo category, the student of Grade IX Abhinav Avasarala performed a Hindustani Khayal called “Aayi Aayi Rithu Basanth” in Raag Basanth set to Ektaal.

In Group song category, our students have performed a folk song which highlighted the Tribal Culture of Odisha, their integrity and love for mother nature.

We stood 4th in classical solo category and 6th in group song category. It was a wonderful exposure of experience for our children.

COLOUR DABBLE

(LKG on 23rd July, 2019)

Children love to play with colours and keeping this in mind, an inter class colour dabble competition was organized for the children of LKG on 23rd July, 2019 at DPS, MIYAPUR. Judgment criterion for the competition was neatness, skill and creativity. The competition kick started with a quick rundown of instructions and the excited kids were soon seen dipping sponge in paints, to explore and experiment elation. This competition proved that children can convey ideas, express emotions, replicate nature, use senses, explore colours and

can create wonders. Children thoroughly enjoyed dabbling with bright and beautiful colours and made the pictures come alive. This contest truly attested the saying, small things bring great happiness! Senior class students, Anika Rao from Grade IX and Sanjana Yamani from Grade VIII, were invited to judge the contest. **The winners are:**

BEST OUT OF WASTE Competition

(Grade I on 24th July, 2019)

BEST OUT OF WASTE is one such craft which follows this environmental friendly principle and at the same time creates useful and picturesque objects out of waste products. In order to make children aware of the uses of waste material, and to give them a lesson on reducing waste to save our future, a 'Best out of Waste' competition was organized at Delhi Public School, Miyapur on 24th July 2019 for students of Grade I.

Little hands and imaginative minds came together in a creative burst of energy. Mind-

blowing, beyond expectation, fantabulous ideas were demonstrated by students. They prepared very creative and innovative models and art items from different waste materials. They used reusable and recyclable materials like news papers, shoe boxes, coconut shells, ice cream stick and many more. From these items, they created an amazing array of display items and useful everyday objects leaving everyone totally impressed. The values like preservation, recycling, conservation, reduce, reuse etc are imbibed in the young hearts and minds by demonstrating this noble act of caring for the environment. It helped the students to develop their fine motor skills while using different kinds of material and also encouraged them to use waste material for making decorative and useable items. The creativity and artistic streak of the children were aptly displayed.

It was amazing to see how scrap could be transformed into such useful and beautiful articles. The winners from each section are:

TELL ME WHY? Competition

(Grade VII on 26th July, 2019)

A quiz is a form of game, also known as the mind sport, wherein the participants, either as individuals or as teams, try to answer the questions posed to them on various topics or a particular topic. The objective of organizing a quiz competition is to encourage the students to look beyond their textual knowledge and improve or expand

their knowledge about the worldly things, either general or on specific topic. It is a fun way to enhance the students' general knowledge, help them to learn team work and enable them to think 'out of the box' through different activities.

To build up and test the general knowledge on scientific facts of the students, DPS, Miyapur, conducted an inter-house science quiz, namely, "Tell Me Why?" on 26th July 2019 for the students of Grade VII. After the prelims, four students from each house were selected for the finals. The finals comprised of three exciting rounds of various questions ranging from multiple choice questions, to visuals, buzzer questions. Moreover, the houses have been named after the eminent scientists of our country, like, Ritu Karidhal for Akash House, Mutthaya Vanitha for House Prithvi, Vikram Sarabhai for House Jal and K. Sivan for Agni House. The first round was a warm-up session where the students were asked straightforward questions followed by Visual round and the most exciting buzzer round. The last round changed the whole equation as it assayed the students' team efforts as well as their attentiveness. All the students participated enthusiastically and they put up a wonderful game. Everyone was well prepared and extremely sporty. At the end of the three rounds, House Prithvi emerged as the winner, followed by House Akash and Agni, who secured the second and third positions respectively.

Briefing session by the students of Meridian school for the MUN

DPS-Miyapur provided an unique opportunity to the students of Grade VIII and (to participate in the Model United Nations Conference conducted by Meridian School Madhapur from 26th July to 28th July, 2019. A Model United Nations is an academic simulation of the United Nations, which aims to educate participants about current events, topics in international relations, diplomacy and the United Nations agenda. The conference provided a

platform to interact and appreciate different cultures and viewpoints. It enabled students to learn to resolve the various issues affecting the world today. It was a platform for the young ambassadors to display their act of diplomacy. During the conference, the participants employed a variety of communication and critical thinking skills in order to represent the policies of their country. At the end of the three days, the students learnt the skills of public speaking, group communication, research, policy analysis, active listening, negotiating, conflict resolution, note taking, and technical writing.

POSTER DESIGNING

(Grade V on 27th July, 2019)

It is rightly said that a nation that destroys its environment, destroys itself. We are committed to imbibe in our students, the sense of responsibility towards environment and wish to see them grow up in a clean green Earth. It is also, our belief that technology provides children, a tool to amalgamate creativity and modern techniques. Hence, Integrating these beliefs of ours, a poster designing competition using the software MS PAINT was organized in DPS-Miyapur on 27th July 2019 for the students of Grade-V. The theme was GREEN EARTH. The students participated enthusiastically and had put across the beautiful sight of our planet with a lot of green cover. In their own simple yet innovative way, the students were able to spread the message that it is essential to take care of our mother earth so that the life on it can continue to exist. The judges had a tough time choosing the winners as all the posters exhibited the sincere and unfeigned emotions of the students towards saving the environment. Following students emerged as the winners of the competition.

FIELD TRIP

(Grade I on 31st July, 2019)

Learning outside the confines of classroom has its own charm. Field trips help students to broaden their educational experience, exposes them to the world outside their own, help them gain deeper understanding through observation as well as make them more tolerant and understanding. It offers students an opportunity to interact with classmates and teachers in more informal manner. Keeping this objective in mind, DPS-Miyapur conducted a field trip for the students of Grade-I on 31st July 2019. An entourage of 226 children of class-1 left to Patancheru

at 8:45 in the morning and reached the “Raj biscuit factory” at 10am, where they got a chance to watch the production of biscuits. The students had a tour of the factory, looked at each and every place including the main functioning unit. They were not only glad to see the manufacturing of variety of biscuits, but grasped fair amount of information pertaining to the entire process of mixing, kneading, shaping and baking in big machineries. Moreover, every student was offered a biscuit as a token of sweet memory. During their visit they also learnt about the different raw materials used, the baking process, to the final product. They were excited to see the process of production of their favorite food item. They also got to know the food value of biscuits in a better way. The trip helped the students develop their linguistic, logical, naturalistic as well as inter and intra personal skills.

Overall, this month has been jubilant and ecstatic for the students and staff alike with a melange of joyful and enriching experiences to savour for as beautiful memories. As we are ready to step into the eighth month of the year, DPS-Miyapur is gearing up in full swing to witness another extravaganza of this academic year, 'Academic Fair, 2019-20.

STAY – HEALTHY, HAPPY & BLESSED
